Subject: Request for extension of public comment period beyond 14 days

I am one of a growing group of very concerned neighbors regarding the proposed re-plat for 11340 23rd Ave. NE. We are planning to submit comments regarding Project #3028516. However, we are requesting a 14-day extension of the comment period.

Although the Notice of Application is dated August 21st, the earliest any of us received the Notice was August 24th. In addition, the end of the comment period is a three-day holiday. Our community needs more time to discuss this application and submit our thoughts and concerns regarding this re-plat.

Sincerely,  
Jane Kortz
